ABOUT ME

Hello my name is Ulises Sanchez and I am a Fronted developer and I have experience in the Backend with Node js. In addition to studying programming, I also study a public accountant at the EAN faculty (year 2), hence my knowledge of Excel. I am a productive and disciplined person, eager to learn and grow both as an Accountant and as a Programmer.

EDUCATIONAL HISTORY

🎓 **Coder House 2021 -2022 Developer Frontend React**

🎓 **Actualmente estudiando contador publico en EAN (Escuela Argentina de Negocios) 2021-2023**
